BIBLE CURRICULUM

# Magnify God

We are Positive Action for Christ, a nonprofit publishing ministry that exists to help teachers magnify the majesty of God.

We produce Bible studies that are ...

- **God-Focused.** We write studies to magnify His character and work. In each passage of Scripture, students should first see how God reveals Himself.
- **Biblically Grounded.** Our books should give students an engaging companion to Scripture, with notes on context, culture, language, and application. By studying the Bible for themselves, students can nurture a deep relationship with its Author.
- **Teacher-Driven.** We believe that God disciples His children through face-to-face contact with teachers like you. Therefore, we publish resources that can strengthen your unique class curriculum.

Thanks to the feedback and support of teachers around the world, this nonprofit, independent ministry has thrived for almost 50 years. We hope to keep our material accountable to God and to you, and we trust Him to use us all to introduce His grace to many students in the years to come.

## The Inner Man

With *Spiritual Leadership* by  
J. Oswald Sanders

As followers of God, we must be “strengthened with might by His Spirit in the inner man” (Eph. 3:16). This Bible study helps young people focus on inward development, not just outward conformity. Students learn from Scripture that righteousness results from God changing us—that our actions should reflect inner grace and strong character.

The Student Manual includes a copy of J. Oswald Sanders’s *Spiritual Leadership*.

## God's Prevailing Work

Themes in Church History, AD 30–1517

Church history is the record of God's tenacious grace—growing and abounding in the hearts of imperfect people just like us. As we study the challenges of Christians in centuries past, we can better appreciate God's work in our own era. In this history-laden Bible study, students will trace the broad movements of the Christian church, from its earliest days to the dawn of the Reformation. They will analyze passages of Scripture that describe God's work through His church—while also sampling the writings of notable Christian figures.

This thirteen-lesson, self-guided study can supplement Bible, history, literature, and worldview courses. Recommended for students with a tenth-grade reading level or above.

## In Their Sandals

This project-focused study explores foundational narrative techniques and their examples in Scripture. Students will develop key writing disciplines by crafting a handful of original stories, each of which can present a unique perspective on God's majesty. By emphasizing pre-draft planning and iterative editing, *In Their Sandals* is an approachable, structured introduction to creative writing.

This eight-lesson book can supplement Bible, English, and literature courses. Recommended for students with a seventh-grade reading level or above.

## The Life We Now Live

### A Study of Grace in Galatians

Paul begins his letter to the Galatian believers with a blessing of grace—a concept he spends the rest of the book explaining, defending, and pleading with his readers to accept. God saved us through grace; God grows us through grace; and one day, God will glorify us through His grace.

## God's Prevailing Work

Themes in Church History, AD 30–1517

Church history is the record of God's tenacious grace—growing and abounding in the hearts of imperfect people just like us. As we study the challenges of Christians in centuries past, we can better appreciate God's work in our own era.

In this history-laden Bible study, students will trace the broad movements of the Christian church, from its earliest days to the dawn of the Reformation. The self-guided Student Manual includes reading exercises of both Scripture and the writings of notable Christian figures. The Teacher's Manual helps you review and discuss the material while providing additional historical notes.

## Sermon on the Mount

### A Study of Matthew 5–7

One day, on a hillside in Galilee, Jesus explained how citizens of God's kingdom would live. This study walks verse by verse through Matthew 5–7, examining simple principles that can overturn the way students view faith, prayer, and religious duty. In these passages, the Author of Scripture unlocks mysteries of the Old Testament and opens a door to the New.

Scheduled for release in May, 2019.

# Devotional Resources

## Apples for Teachers

Apples are a traditional gift for school-  
teachers, and in this 180-day devotional  
from Proverbs, you'll find an "apple" of  
wisdom for each day of class. Combining  
humor, love, and an insight gained from a  
life of teaching, Frank Hamrick encourages  
you to teach with care and grace.

SSA910 Apples for Teachers **\$15.95**

## Wisdom for Parents

Anyone who has been given the privilege  
of raising children knows that parenting  
requires great wisdom. Earthly wisdom  
is available everywhere you look, but in  
this 180-day devotional from the Book of  
Proverbs, Frank Hamrick challenges you to  
seek God's wisdom as you reflect His love to  
your children.

SSA920 Wisdom for Parents **\$15.95**

## Songs for Your Path

Filled with the joy, wisdom, and hope of the  
Psalms, this 180-day devotional will help  
guide you along the path God has set for His  
children and present you with glimpses of  
God's glory. Follow along as God's wisdom  
for life and worship unfold day by day.

# Purchasing Digital Student Manuals

## Step 1: Purchase Licenses

Visit [positiveaction.org.au](http://positiveaction.org.au) to purchase digital student manual licenses for your students. **Each new student needs one license for one study for one year.**

## Step 2: Download Files

After your order has been approved and processed, we'll send an email to let you know that you can download the workbook files off our website. The PDFs arrive in a compressed ZIP folder, which you can un-zip on a PC or Mac.

- On a PC, right-click the ZIP and select "Extract All."
- On a Mac, double-click the ZIP.

## Step 3: Deliver Files

Once you've unzipped the PDFs, you can send them to your students like any other file—all at once, or one lesson at a time. Since the files contain no built-in restrictions, you can copy, send, or store them with whatever system your school prefers.

Using the free Adobe Reader app, students can read and annotate workbook PDFs on PCs, Macs, and iOS devices. Compatibility with other software and devices not guaranteed.

For more information, visit
